Hetu reported the 15 April Phil Donahue Show (CBS) will include an interview with Warren Preston, a Sylvania employee under contract with the U.S. Army, who has filed suit against the Army for its withdrawal of Preston's security clearances (those controlled by DCID 1/14) on grounds of homosexuality. Hetu said CBS has asked for a Government spokesman to participate in the interview and noted DoD, for one, has suggested this be handled by CIA. Hetu recommended against Agency participation and went on to note DCID 1/14 does not include clear policy by the Agency on the hiring of homosexuals. Silver advised that an annex has been added to cover this matter; he concurred, however, with Hetu that participation by CIA on the Donahue Show would likely result in a public trial of CIA. Mr. Carlucci said he wants to discuss the details with Hetu. []
